

^{easy} 3 Steps to Access **author**

1 Through your browser, type in this url..
<http://author.uthm.edu.my>

2 On the login page... please use SMAP Online username & password

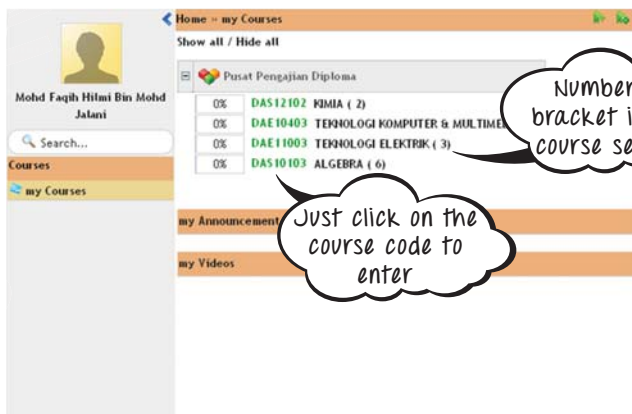

* AUTHOR login username and password are SAME AS SMAP Online username & password

* For new students, please wait for One to Two weeks to activate the AUTHOR's Account. This is due to AUTHOR data integration from Students' Academic Information System (SMAP).

3 After login, your registered courses will appear (as picture below). Just click on the course code to enter the course.

What is AUTHOR?

AUTHOR is an abbreviation of UTHM Academic Online Resources. AUTHOR is a web-based learning management system (LMS), a platform that allows academic staff to manage their courses and exchange information with students through online.

What are inside the AUTHOR?

Some of the main features in AUTHOR are announcements, messaging system, files sharing, multimedia embedded course materials, educational links, forums, video conferencing, online quizzes and assignments.

When did UTHM using the AUTHOR?

UTHM starts using AUTHOR since January 2011. Before that, since 2000 UTHM used Blackboard as e-learning platform.

How to log in to AUTHOR?

To log in AUTHOR, please use username and password that are same as SMAP Online username and password.

If you forgot your password, please seek help from Academic Management Office

Help.. Help.. Who can help me on AUTHOR ! please contact helpdesk at Centre for Academic Development (CAD) as below...
